Garden News
with Mrs Halloran

On Wednesday, 25th March, we divided iris rhizomes for children to take home for their own garden. All Year 2 and some Year 1 students received a plant (perennial, mauve flower, scented.)

Next week Kindergarten and the rest of Year 1 students will receive a plant.

Water

Tap water makes the best drink!
Not only is it thirst quenching, but also contains fluoride which helps make teeth stronger. Here’s what water has to offer:

- it is cheap and readily available
- it doesn’t contain any kilojoules or sugar
- it encourages optimal function of the body

We should all aim to drink between five to eight cups of water a day. In the warmer months it is important to keep well hydrated. Always have water available when children are active. Encourage them to drink water regularly, even in cooler months.
ANZAC DAY MARCH

Students and staff will be marching in this year's ANZAC Day March on Saturday 25\textsuperscript{th} April. If your child/children will be taking part please complete the following permission note. Students will need to assemble at the Glen Innes Post Office at 10.30am for an 11.00am start. All students need to wear full school uniform and a hat.
