**Head Lice Alert**

We have been alerted to the fact that head lice have been found in a number of children’s hair.

**Please check your children’s hair and all the family’s hair thoroughly and treat any outbreaks.**

Please tie girl’s long hair back and/or up and ensure your child has their own hat to minimise the chance of lice spreading.

**Hairdresser’s Treatment Hint:** Treat hair with a **thick white conditioner**, cover with a shower cap and leave on hair for 30 minutes or more. Comb through with a fine comb, then shampoo hair. **Repeat daily for a week.**

**Preventative Hint:** After treatment to help with prevention of reinfection, make a mix of equal parts in a spray bottle of lavender oil, tea tree oil and water. Spray onto hair before brushing giving hair a good coverage.
