In Term 4 we increase our transition days to two days per week. This intensive transition program ensures that students have a happy and relaxed start to their school life.

We have had several reports of severe head lice infestation at the school.

Please check your child’s hair regularly, and treat if necessary. Children should be treated for head lice before returning to school. Treatment also includes washing all bed linen and airing mattresses in sun. Hats, hairbrushes, hairbands, etc. also need to be treated.

Thank you for your cooperation.
